

GRADUATE EMPLOYABILITY RANKINGS

Data Submission Guidelines

EMPLOYERS CONNECTIONS

The **TOTAL** number of **distinct companies** present at events on campus or that used university-related websites(Online)in a recent 12-month period to promote themselves.

TIMELINE: 12-month time frame can be either last academic year or last calendar year.

EMPLOYERS' CONNECTION ON CAMPUS	EMPLOYERS' CONNECTION ONLINE
<p>PROMOTIONS: general marketing actions or events covering any other general topic will not be accepted. The talk/event needs to be about the company as a potential/actual employer/recruiter.</p>	<p>Online talks/events/webinars are accepted</p>
<p>Recruitment fairs/event have to be held in the University or at their campus. OFF campus will not be considered</p>	<p>It is a requirement that the promotional activity was delivered via an official institutional website or via an intranet exclusive for students/graduates of the university.</p>

Requirements/Evidences

Under the **Value** tab, for on-campus and online the **distinct** count of the companies is to be entered. The same company **will not** be counted more than once.

For on-campus and online number it is **mandatory** to provide evidence through the 'employers-connections-template' under **Download template**

The institution should provide **links** that presents evidence of the mentioned event/webinar.

Upload the completed file 'employers-connections-template' in **CSV** format and file size **cannot** exceed 10MB

Once the values and evidence have been uploaded press 'SAVE' to assure the data has been successfully uploaded.

EMPLOYER PARTNERSHIPS

We only considered **distinct companies** for this indicator, i.e., even if a company was listed multiple times, we have to counted it once.

INCLUDE

NON-GOVERNMENTAL companies/organizations that currently have active partnership agreement with your university (to provide internships or work placement opportunities exclusively to your students/graduates).

State-owned ENTERPRISES are acceptable

PARLIAMENTS

Parliamentary Internships (students intern with Members of Parliament (MPs))

EXCLUDE

Subsidiaries of companies
E.g.: Amazon India, Audible, Zappos, Abe Books, Souq.com all should be mentioned under one company **Amazon.com, Inc.**

Universities and other academic establishments (schools/colleges/Instructions).

Governments including ministries and other agencies controlled by governments. e.g. Consulates, embassy.

Research-only and promotional partnerships
Companies (only for banner-ads, promotional materials on campus, etc).

EMPLOYER PARTNERSHIPS

Requirements/Evidences

- Under the **Value** tab, for employer partnerships the **distinct** count of the companies have to be entered.
- For employer partnerships the institution should provide links or a relevant annual report that presents evidence of the existence of such a partnership through the '**employer-partnerships-template**' by clicking on '**Download template**'.
- Internships are work experiences that correspond to a dedication of at least 8 hours per week, for a minimum period of 4 weeks (1 month). Work placements have the same minimum requirement, however, are generally unpaid.
- Possible partnerships may include internship offers, fast-track job applications, summer internship offers, work placement opportunities, graduate scheme vacancies.
- The institution should provide **links** or a relevant link to a University **annual report** that presents evidence of the existence of such a partnership. Please DO NOT list the company's homepage here. We require a link to either an article, an official document, or a specific webpage that outlines the details of the partnership.
- Upload the completed file '**employer-partnerships-template**' in **CSV** format and file size **cannot** exceed 10MB.
- Once the values and evidence have been uploaded press  to assure the data has been successfully uploaded.

GRADUATE EMPLOYMENT RATE

The proportion of graduates (excluding those opting to pursue further study or unavailable to work) in full or part-time employment within 12 months of graduation.

Graduate employment data for a different period post-graduation is acceptable as long as it's a shorter one (e.g. 3 months or 6 months).

EXCLUDE : Students in further studies, unavailable to work, not seeking for employment.

$$\text{QS Employment Rate} = \frac{\text{Employed Full Time and Part Time}}{\text{(Employed FT and PT + Unemployed but seeking employment)}}$$

GRADUATE EMPLOYMENT RATE

Employers` Connections Employer Partnerships **Employment Rate**

Proportion of graduates (excluding those opting to pursue further study or unavailable to work) in full or part time employment within 12 months of graduation.
